

We'll help you pave the way for a new career.

COURSE DESCRIPTION

This highly engaging qualification is suitable for those interested in a career or employment in the civil construction industry.

This qualification reflects the roles and responsibilities of a skilled operator working with civil construction plant, who applies a broad range of skills in a varied work context. These roles require the use of some discretion and judgement whilst possessing relevant theoretical knowledge.

PREREQUISITES AND ENTRY REQUIREMENTS

There are no formal entry requirements, however, it is preferred that participants have some experience in the civil construction industry.

COURSE DELIVERY

Gold Training delivers flexible training with instructors who have extensive industry experience. Gold Training offer this qualification:

- Via an on-the-job traineeship
- Face-to-face

EMPLOYMENT OUTCOMES

- Plant operator
- Labourer

VOCATIONAL OUTCOMES

Participants will obtain a broad range of skills from work health safety, communication, planning and organisation skills and use hand and power tools.

COURSE FEES

Course fees may vary depending on the units you are enrolled in so an approximate amount has been shown based on Gold Training's standard unit selection. You will be given the exact amount of your fees at enrolment. Part-time student fees will vary depending on the number of units you are enrolled in.

- Face to face - \$10,240.00 (negotiable upon larger group enrolments)

Course fees are made up of two components: tuition fees and resource fees. Tuition fees are determined by multiplying the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction. Resource fees are charges for material that are essential to a course or unit, and are purchased by Gold Training to be used by students during the course.

GOVERNMENT FUNDING

The User Choice 2017-20 program provides a public funding contribution towards the cost of training and assessment services for eligible Queensland apprentices and trainees. The program aims to provide funding aligned to the skills needs of industry and respond to changing government priorities.

For more information on User Choice funding, please visit <https://training.qld.gov.au/providers/funded/userchoice>.

Student Co-contribution fees for participants apply to all qualifications offered through the User Choice funding program. Student Co-contribution fees are the essential costs for participants to undertake the qualification and include all costs associated with delivering the training.

- student co-contribution fee - \$1,520.00
- student co-contribution fee (Concessional)- \$608.00
