

We'll help you pave the way for a new career

COURSE DESCRIPTION

This highly engaging qualification is suitable for those interested in a career or employment in the civil construction industry.

This qualification reflects the role of a skilled operator working in Civil Construction, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge

The qualification applies to specialist occupations within the civil construction industry.

PREREQUISITES AND ENTRY REQUIREMENTS

There are no formal entry requirements, however, it is preferred that participants have some experience in the civil construction industry.

COURSE DELIVERY

Gold Training delivers flexible training with instructor's who have extensive industry experience. Gold Training offer this qualification:

- via an on-the-job traineeship
- face-to-face

EMPLOYMENT OUTCOMES

- Asphalter/pavement layer
- Bridge construction worker
- Plant operator
- Pipe layer

VOCATIONAL OUTCOMES

Participants will obtain a broad range skill set from work health safety, communication, planning and organisation skills and use hand and power tools.

As an employee you will often be required to use discretion and judgement in decision making to ensure a safe working environment and preparedness in the event of an emergency.

COURSE FEES

Course fees may vary depending on the units you are enrolled in so an approximate amount has been shown based on Gold Training's standard unit selection. You will be given the exact amount of your fees at enrolment. Part time student fees will vary depending on the number of units you are enrolled in.

- Face to face - \$10,240.00 (negotiable upon larger group enrolments)

Course fees are made up of two components: tuition fees and resource fees. Tuition fees are determined by multiplying the nominal hours, which is the number of hours in which an average student could be expected to complete each unit. They are not the hours of training or instruction. Resource fees are charges for material that are essential to a course or unit, and are purchased by Gold Training to be used by students during the course.

CERTIFICATE III IN CIVIL CONSTRUCTION

ROAD CONSTRUCTION AND MAINTENANCE

GOVERNMENT FUNDING

The User Choice 2017-20 program provides a public funding contribution towards the cost of training and assessment services for eligible Queensland apprentices and trainees. The program aims to provide funding aligned to the skills needs of industry and respond to changing government priorities.

For more information on User Choice funding, please visit <https://training.qld.gov.au/providers/funded/userchoice>.

Student Co-contribution fees for participants apply to all qualifications offered through the User Choice funding program. Student Co-contribution fees are the essential costs for participants to undertake the qualification and include all costs associated with delivering the training.

- student co-contribution fee - \$1,001.60
- student co-contribution fee [Concessional]- \$400.64

STUDENT HANDBOOK

View the [Gold Training Student Handbook](#) for more information about course fees, the appeals and complaints process, and training with us.

RECOGNITION OF PRIOR LEARNING (RPL)

Gold Training recognises that you may have skills or knowledge from previous learning or work experience, you may be eligible to apply for Recognition of Prior Learning and/or Credit Transfer towards partial completion of this qualification.

UNIQUE STUDENT IDENTIFIER (USI)

From 1 January 2015, participants undertaking nationally recognised training require a USI before they can receive their training records and results. Once a USI is created participants will continue to use their USI for any future nationally recognised training they undertake.

Your USI links to an online account that contains all of your training records and results that you have completed after 1 January 2015.

If you would like to create your own USI prior to commencing training with Gold Training please visit www.usi.gov.au. Alternatively, with your permission [which can be provided when completing your enrolment form] Gold Training will create your USI number on your behalf.

LANGUAGE, LITERACY & NUMERACY (LLN) ASSESSMENT

It is a requirement for this qualification that participants complete an LLN assessment to ascertain whether further support opportunities are required to assist completion of this qualification. Please complete our online LLN assessment [here](#).

HOW TO APPLY

Please complete the Gold Training enrolment form including collating your supporting documents and forward to gt.studentadmin@goldtraining.edu.au.

The Gold Training enrolment form is available via our [website](#).

UNITS

RIIBEF201D	Plan and organise work
RIICCM201D	Carry out measurements and calculations
RIICCM203D	Read and interpret plans and specifications
RIICOM201D	Communicate in the workplace
RIISAM203D	Use hand and power tools
RIISAM204D	Operate small plant and equipment
RIIWHS201D	Work safely and follow WHS policies and procedures
RIICCM202D	Identify, locate and protect underground services
RIICCM205E	Carry out manual excavation
RIICCM206D	Support plant operations
RIICCM207D	Spread and compact materials manually
RIICCM208D	Carry out basic levelling
RIICRC201D	Repair potholes
RIISAM201D	Handle resources and infrastructure materials and safely dispose of
RIIWHS302D	Implement traffic management plan
RIIWMG203D	Drain and dewater civil construction site
RIICRC301D	Maintain drainage systems
RIICRC304D	Maintain sealed roads
RIIRIS201D	Conduct local risk control
RIIWHS205D	Control traffic with stop-slow bat
RIICRC306D	Conduct earthworks
RIICRC307D	Conduct road pavement construction
RIIRIS202D	Respond to site based spills
RIIVEH201D	Operate light vehicle
HLTAID003	Provide first aid

*Course units are subject to change.
