

BSB51918

DIPLOMA OF LEADERSHIP AND MANAGEMENT

Leadership and management
are crucial to a successful business

DEMONSTRATE YOUR LEADERSHIP CREDENTIALS WITH THIS NATIONALLY RECOGNISED QUALIFICATION

GOLD Training's BSB51918 Diploma of Leadership and Management has been designed with a strong focus on growing your leadership skills and abilities so that you can succeed in management situations whilst building and driving effective teams in the fast paced business world of today, and tomorrow!

Our diploma program will give you confidence to meet business expectations whilst inspiring and motivating your team members to be the best they can be. This practical and industry focused course will provide you with all the skills necessary to display initiative and judgment in planning, organising and workforce management - in addition to the communication skills to guide individuals and teams towards meeting and exceeding organisational or enterprise requirements. Whether you are looking to move your career forward or go out on your own this nationally accredited qualification will provide you with the right foundations to stand out from the crowd.

WHY STUDY A DIPLOMA WITH GOLD TRAINING

EXPERT TRAINERS

Industry professionals to support you through the course answering your specific questions, conducting weekly tutorials, marking your assessments and tasks, providing support with the learning platform. Support is offered via phone, email and Zoom when you need it to move you successfully through the course.

FLEXIBLE LEARNING

Study resources at your fingertips. Self-paced learning to work in with your work and life commitments and all study materials readily available through our learning platform.

PEER FORUMS

You are not alone, we have peer groups and forums for you to interact and collaborate with fellow students.

COURSE DURATION

You have up to 12 months to complete the qualification. However, if you can commit to more study time each week you can complete your qualification much sooner.

RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of skills and knowledge gained through previous studies, work, and life experiences may be used to award competency for Units of Competency within this qualification.
